

Labyrinths: all about them – a self-guided inquiry

This hyperdoc can be used individually or in groups of 4 to facilitate an understanding of labyrinths. When used with a group of 4, allocate one question section per participant and each takes responsibility for sharing their respective findings with the others.

Begin by taking a virtual labyrinth walk [here](#) or download a [finger labyrinth](#) or walk an indoor/outdoor labyrinth nearby.

What is a labyrinth?
